

PERSONAL INFORMATION: Prof. Dr. Vesna Levkov

📍 str. "Kiro Krstevski" 15-1/8, 1000, Skopje
 ☎️ ++389-2-3063 523 📠 ++389-72-204443
 ✉️ vesna.levkov.1@istoc.ukim.mk, levkov@yahoo.com

Sex: Female | **Date of birth:** 24.02.1974 | **Nationality:** Macedonian

Position: Dr.sc./ Ph.D – Full Professor

Marital status: Married

EDUCATION AND WORK EXPERIENCE:

- 2023 Position: Head of Laboratory (Adjudgement No 02-528/1 from 04.10.2023),
 Address: "Ss Cyril and Methodius" University in Skopje, Institute of Animal Science and Fishery – Skopje, Blvd. Ilinden, 92A, 1000, Skopje, Macedonia,
 Position: authorization to perform activities from the scope of higher education activity (Adjudgement No 03-527 from 04.10.2023
 Member of University Senat at "Ss Cyril and Methodius" University in Skopje

 Title: Full Professor at "Ss Cyril and Methodius" University in Skopje, Institute of Animal Science and Fishery – Skopje, Blvd. Ilinden, 92A, 1000, Skopje, Macedonia,
- 2019 Position: Deputy Director atin the period from December 2019 to September 2020 (Adjudgement No. 0201-738 од 11.12.2019)
- 2018 Title: Associate Professor at "Ss Cyril and Methodius" University in Skopje, Institute of Animal Science and Fishery – Skopje, Blvd. Ilinden, 92A, 1000, Skopje, Macedonia, (Adjudgement No. 0201-484 од 03.07.2018
- 2013 Title: Assistant Professor at "Ss Cyril and Methodius" University in Skopje, Institute of Animal Science and Fishery – Skopje, Blvd. Ilinden, 92A, 1000, Skopje, Macedonia, (Adjudgement No. 0201-7044 од 23.08.2013)
 Education: PhD in Agricultural Science, "Composition and dynamic of technological significant microorganisms throughout traditional manufacturing of beaten cheese". "Ss Cyril and Methodius" University in Skopje, Faculty of Agricultural Sciences and Food.
- 2005 Position: Teaching Assistant at Pubic Scientific Institut in Skopje, Str. "Ile Ilievski" 92a, 1000 Skopje
 Education: MSci in Biology, "Changes in composition and number of microorganisms during the manufacturing and ripening of beaten cheese from Tetovo region". "Ss Cyril and Methodius" University in Skopje, Faculty of Natural Science and Mathematics.
- 1998 Position: Research Assistant at Pubic Scientific Institut in Skopje, Str. "Ile Ilievski" 92a, 1000 Skopje
- 1997 Education : Graduated Bilogy Engineer. "Ss Cyril and Methodius" University in Skopje, Faculty of Natural Science and Mathematics.

**TRAININGS, CONFERENCES,
 SYMPOSIUMS, CONGRESSES,
 WORKSHOPS:**

Date from Date to	Location	Company	Description
3-4.02.2024	Trnica, Mavrovo Rostusha R. Macedonia	Prof. Natasha Mateva	Workshop: Contribution to rural development - protection of traditional dairy products
26.02.2024	Rektorate of "Ss Cyril and Methodius" University in Skopje	"Ss Cyril and Methodius" University in Skopje	Workshop: Artificial intelligence in education and science
25.04.2024	Macedonian Academy of Sciences and Arts	Macedonian Assotiation of Medical Editors	Conference: Scientific and publishing integrity in biomedicine
23.1.2023	Online	ISEKI-Food Association EFFOST	Webinar: Microorganisms as an enabler of future sustainable food systems
24.02.2023	Online	ISEKI-Food Association Health Ferm	Webinar: Impact of microbial fermentation on food composition and nutritional attributes
14-18.02.2022	Online	BTSF Course 1 about Chemical Risk Assesment	Trening: Chemical risk assessment - risk assessment of feed and food
7.09.2022	Hotel Holiday In Skopje	Food and Veterinary Agency	Workshop: Risk assessment: a review of principles and practical aspects
1-3 September 2021	Online Edirne, Turkey	Trakya University, Edirne, Turkey	Scientific conference: II International Agricultural, Biological and Life Science, Agrobiol Chages of nutritional characteristics of fermented whey with kefir grains-a preliminary results, poster presentation
20-21 June 2019	Istanbul, Turkey	Agrofood Conference	Scientific conference: International Conference on Agronomy and Food Science & Technology Yeast and mould species evolving during production of traditional Beaten cheese. Poster presentation

PERSONAL SKILLS

Mother tongue(s) Macedonian

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C2	C2	C2	C2	C2
Croatian	C2	C2	C1	C1	C1
Serbian	C2	C2	C1	C1	C2
Bulgarian	C2	C2	C1	C1	C1

 Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user
 Common European Framework of Reference for Languages

Communication skills - good communications skills gained through working with colleagues, students, professors and members of projects teams

- Cooperative with project team, capable for teamwork
- Participate in self- developing skills through participation on workshops, webinars, conferences

Organisational / managerial skills - Currently Head of Laboratory in Department of Nutrition and Food processing

Job related skills - Long term experience and knowledge in laboratory work and organisation. Writing, organising and realization of scientific or research national or international project and project proposals.

- Currently engaged in realisation of educational activity in the Institute of Animal Science and Fishery
- Focused and determined in execution of duties in a certain time frame (within the deadline)

Computer skills ■ Good command in MS Office

Driving licence ■ B

ADDITIONAL INFORMATION

Publications (Scientific papers) in last 5 years

1.	Mirjana Menkovska, Natasha Gjorgovska, Vesna Levkov , Desimir Knežević, Nikola Pacinovski (2024). The importance of food systems for cereal application in human and animal nutrition. 11-th JEEP International Scientific Agribusiness Conference-MAK2024. Food for the Future, Vision of Serbia, The Region and SE Europe. Kopaonik, 02-04.02.2024
2.	Svetlana Grigorova, Natasha Gjorgovska, Maria Todorova, Vesna Levkov.(2023) Use of Grape Marc Flour Supplementation in Laying Hens' Diet on Laying Productivity, Egg Quality and Biochemical Parameters. Veterinarija ir Zootehnika, 81 (2), 62-69.
3.	Vesna Levkov , Natalija Atanasova-Panchevska, Daniela Belichovska, Sandra Mojsova, Natasha Gjorgovska (2022). Fermented plant based products in everyday nutrition in Macedonia and their potential of probiotic vectors. Macedonian Journal of Animal Science, 12 (1-2):45-54

Projects (Realized – National and International) in last 5 years

1.	Evaluation of the footprint of poultry waste generated during egg production in farm conditions 2024. - participant Financed by: Ministry of Environment & Physical Planning of the Republic of Macedonia
2.	Traditional fermented food – a treasure trove of microbial diversity? 2022. - leader Financed by: Ministry of Environment & Physical Planning of the Republic of Macedonia
3.	Evaluation of the quality of meat processing in the trade network 2021 - participant Financed by: Ss. Cyril and Methodius University in Skopje
4.	Qualitative characteristics of species of the genus Sorghum. International project with the Institute for Forage Crops in Pleven, Republic of Bulgaria 2021-2023 International project - participant
5.	Effect of periodic use of probiotic feed on growth and meat quality of carp grown in an intensive cage system 2020 - participant Financed by: Ss. Cyril and Methodius University in Skopje
6.	Determination of nutritional characteristics of fermented whey 2019 - leader Financed by: Ss. Cyril and Methodius University in Skopje

Member of the editorial board of Macedonian Journal of Animal Science

Fields of Research:

Microbiology of cheese, Microbiology of milk and milk products, Quality and safety of traditional cheese and dairy products, Food Safety and Quality, Feed quality and safety, Microbiological and chemical characteristics of feed.
